LECTURING

The University of Chester 2018 – present

The University of Salford 2015 – 2019

Stockport College of Higher Education 2009

Working with Industry Project Manager on an 8-month externally funded 40k budget

PROFILE

I am an accomplished television professional with a proven track record in producing and editing entertaining programmes for BBC1, BBC2, BBC3, CBBC, itv2, CH4, CH5, MTV and Sky.

My television career has been wonderfully varied and fascinating. I have flown across the English Channel in a hot air balloon with Michaela Strachan, kissed the Blarney Stone with Timmy Mallet and exploded science experiments with Bez. I have conducted one on one interviews with many prominent people over the years including: Peter Kay, Maureen Lipman, David Furnish, Abi Titmus, Bill Oddie, Ice-T, Matt Lucas, Jimmy Osmond, Larry Hagman, Nicolas Roeg CBE, Michael Parkinson CBE and Gordon Ramsay.

In 2008 I was selected for the CH4/TRC/Skillset Series Producer Training Programme for freelancers, which featured eight months of top-flight workshops and seminars.

For fifteen years I have produced and edited many factual entertainment programmes. The highlights have been: The Joy of Curry (BBC2), Stars Behind Bars (fIVE), Peter Kay: Raider of the Pop Charts (CH4), Britain In Bed (BBC3) and Turbo Boost for (CBBC).
